

## Approach to Redistributing Round 2 Implementation Grant Funds Should Projects Become Unviable (Approved by Workgroup on 11/9/07)

**Step 1**: Up to \$750K will be reserved for Project Administration.

**Step 2**: Any remaining funds will be redistributed amongst projects in the same program category up to the original request; reallocation will be proportionate to the original recommended funding amount and will not exceed the original grant funding requested on a on a project-by-project basis, excluding the funds reserved in Step 1 for contract administration (up to 3% of the total grant request).
