7

Grant Redistribution

- 2 projects in Prop 50 grant may be unable to proceed:
 - Helix Water District's El Monte Valley Groundwater Recharge and River Restoration Project
 - Padre Dame MWD's Padre Dam Water Reclamation Facility Expansion Project
- We have NOT received notice that LPS cannot fulfill contractual obligations
 - RWMG is meeting with LPS on October 13th
- DWR supports redistributing any grant funding within the San Diego region

8

Grant Redistribution

- In November 2007, the Prop 50 Project Selection Workgroup approved redistribution approach:
 - Redistribute funds to all Prop 50 projects within the same program category
 - Redistribute proportionally to recommended grant funding
 - Cannot exceed the original grant funding request, excluding GA dollars

9

Grant Redistribution

- DWR has provided the following grant redistribution criteria:
 - At a minimum, must achieve the same project goals and benefits
 - Project(s) within existing Prop 50 grant
 - May be receptive to schedule extension past 2014
 - Not a completed/closed project
 - Cannot reimburse for activities/dollars already spent
 - LPS must provide 10% funding match for redistributed funds

10

Grant Redistribution

- Additional criteria for discussion by RAC and Prop 50 Project Selection Workgroup:
 - Redistribute only within program category vs expand to all with same goals/benefits?
 - Proportional redistribution vs as needed for new activities?

11

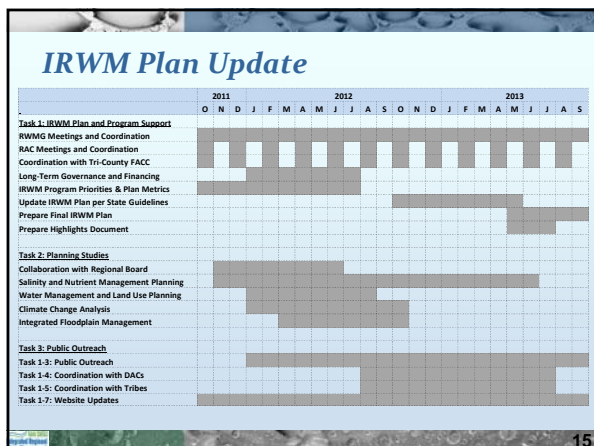

Grant Redistribution

- Propose reconvening Prop 50 Project Selection Workgroup in November, if necessary:
 - Workgroup to formalize criteria and select projects for recommended funding
 - Workgroup members no longer available will default to another representative within same agency/organization
- Propose that Workgroup bring back formal recommendation to RAC on November 30th
