

## **Regional Advisory Committee Membership Application**

***October 2018***

The Regional Advisory Committee (RAC) was formed in December 2006 to assist the Regional Water Management Group (RWMG) with completion of the San Diego IRWM Plan and prioritization of projects for a funding application. The IRWM Plan was completed in 2007; since then, the San Diego Region has been awarded \$96.4 million from the Department of Water Resources to support 67 high-priority projects. The RAC continues to serve as the primary advisory body for the San Diego IRWM Program, providing recommendations to the RWMG on key issues related to IRWM planning and funding applications. RAC meetings are held bi-monthly and are posted for the entire calendar year at [www.sdirwmp.org](http://www.sdirwmp.org).

**Fifteen positions** will come open on the RAC at the end of 2018. Each position will have a four-year term on the RAC that runs from 2019 through 2022. Current RAC members are welcome to apply for a new term. Before you apply, please review the RAC Charter (<http://www.sdirwmp.org/regional-advisory-committee>, click on “RAC Roles and Responsibilities”) to ensure that you are able to serve on the RAC and follow the guidelines and rules established in the RAC Charter.

*If you are interested in serving on the RAC, please fill out the membership application form below and return it to Mark Stadler, IRWM Program Manager, at [mstadler@sdewa.org](mailto:mstadler@sdewa.org), by November 14, 2018.*

Please contact Mark if you have any questions at either [mstadler@sdewa.org](mailto:mstadler@sdewa.org) or 858-522-6735.
