

The Climate Forecast: Mitigation and Adaptation for the San Diego Region Thursday, July 12, 2007

Please join the first regional dialogue to identify the organizations, programs, and expertise that will lead the effort to address the impacts of a changing climate. Local decision-makers and representatives from academia, nonprofits, and business are encouraged to attend.

The California Global Warming Solutions Act of 2006 (AB 32) is sure to change the landscape of public policy and business actions in the San Diego region. Are you prepared? What steps can we take to align resources and work toward shared goals?

Date: Thursday, July 12, 2007
Time: 8:00 AM– 5:00 PM Reception from 5:15–6:30 PM
Location– Montezuma Hall at San Diego State University
5500 Campanile Drive, San Diego, CA 92182

With your help, we can accomplish the following objectives:

1. Create a “regional inventory” of the programs associated with climate protection and adaptation;
2. Develop a shared framework for building a vulnerability assessment that addresses possible changes in the next 50 years;
3. Discuss the local outcomes from AB 32 and other climate-related bills enacted at the State and Federal level;
4. Garner a commitment for active participation in one of six Breakout Sessions:
 - Land Use and Transportation
 - Water
 - Energy
 - Public Health
 - Demographics/ Cross-border impacts
 - Economy

Registration fee includes morning refreshments, lunch, and an evening reception. After receipt of the completed registration form, you will receive payment confirmation, an agenda, and summary sheets pertaining to the Breakout Sessions you selected. Updated information will be posted at <http://publichealth.sdsu.edu/climateforum.php>

Registration deadline is June 30, 2007. Space is limited.
