

Roles and Responsibilities

Regional Advisory Committee (RAC)

The Regional Advisory Committee was formed in December 2006 to assist the RWMG in the completion of the IRWM Plan and in the prioritization of projects for Proposition 50.

- 1. Provide Recommendations to RWMG on key elements needed to develop a Draft IRWM Plan**
 - Provide recommendations to RWMG on Mission Statement for IRWM planning effort;
 - Develop process/criteria for project prioritization; and
 - Propose options for a long-term institutional structure for Plan implementation.

- 2. Assist with Public Participation in Development of IRWM Plan**
 - Establish subcommittee to assist in receiving public input; and
 - Liaise with other entities for areas of represented expertise.

- 3. Assist in Preparation and Submittal of Final IRWM Plan**
 - Provide recommendations on all sections of Draft IRWM Plan;
 - Assist in the development of Resolutions of Support;
 - Encourage public participation; and
 - Provide RAC recommendation to RWMG policymakers on IRWM Plan adoption.

- 4. Review and Provide Recommendations on Proposition 50, Cycle 2 Grant Application**
 - Assist in coordinating and consolidating implementation projects;
 - Apply criteria to develop recommended implementation projects; and
 - Provide RAC recommendation to RWMG policymakers on grant application.

- 5. Assist RWMG with Transition to Long-term Institutional Structure**
 - Recommend a preferred long-term structure;
 - Encourage public participation in long-term structure; and
 - Provide RAC recommendation to RWMG policymakers on long-term institutional structure.
